# Dear SSD Families

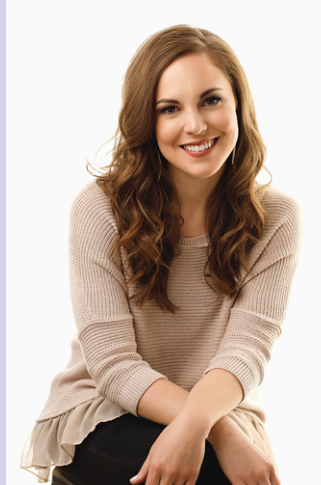

Suzanne's School of Dance has been passionate about positively impacting the kids and families of our community for the last 32 years.

At Suzanne's School of Dance we aim to help dancers achieve excellence of dance and heart in a safe environment while learning life-long skills. We continue to cultivate a community marked by integrity and excellence while enjoying this gift of dance. At this time in history, it is more important than ever! Dance meets imperative students' needs for community, socialization, friendship, mentorship, physical activity, and more! Their benefits include but are not limited to: intellectual, academic, emotional, and physical support.

In this new 2024-2025 dance season, we believe it will be the best year yet! We are deepening our commitment to offer the best we can for your dancer. We will continue to see your dancer as a Whole Person! We want them to grow and flourish in a safe space.

We are thankful to be allowed to partner with your family as we grow great kids! If you are new to us, we say, "Thanks for joining our Suzanne's School of Dance Community!" We are "More Than Just Great Dancing!" Welcome to Season 33!

*Ms. Bethany*
