Summer Dress Code

Dancers should wear proper dance attire that allows them to move confidently and comfortably. Midriffs must remain covered at all times.

Once enrolled, you'll receive all the class-specific details, but here are the basics we recommend at SSD!

Boys

Black (athletic) shorts, white t-shirt (hair neatly out of the face). Boys can dance barefoot or with socks.

Girls

Pink, black, or lavender colored leotard (skirt optional), pink tights. If you do not own this dance attire and are unsure whether you will continue to dance in the fall, you can wear leggings + solid color t-shirt. Girls can dance barefoot or with socks.
