SEASON 2025-26

MORE THAN JUST GREAT DANCING!®

Dear SSD Families

We are excited to share our 2025-2026 Dance Schedule with you and hope you'll join us for the studio's 34th season! It has been our joy to serve over 400 dance families this year and to provide a safe, welcoming space where dancers can grow and experience the art of dance.

Each member of our team undergoes a thorough selection process, including interviews and background checks, to ensure they embody the heart and mission of SSD. Our staff is here for more than just a job—it's a calling to invest in the next generation through the joy of dance.

As we step into the 2025-2026 dance season, we believe it will be our best one yet! We're committed to providing the very best for your dancer—seeing them not only as a student but as a whole person. Our goal is for every dancer to grow in both excellence of dance and heart.

Thank you for allowing us to partner with your family as we continue to grow great kids through dance. If you're new to SSD, welcome—we're so glad you're here! You're now part of a community that's truly More Than Just Great Dancing.

Here's to Season 34—we can't wait to dance with you!

Blessings in Abun Dance.

More Than Just Great Dancing!®

In an ever evolving industry with limited formal federal oversight, it is vital to be accountable, innovative, and in tune with the latest developments in the dance industry. Suzanne's is a part of More Than Just Great Dancing!® and our team annually participates in trainings, workshops, and community building meetings with the 300+ studios that make up MTJGD.

We Hire The Best of the Best

As a studio that serves over 450 dancers, we are dedicated to the safety of and influence upon each child. Each staff member undergoes a number of checks and interviews to qualify as an SSD staff member. Each of our staff members are here for more than a job. It's a way of life and opportunity to share the JOY of dance with your child.

Programs that Build Character

Suzanne's School of Dance has implemented an Assistant Program that not only builds great dancers, but great leaders for our future. Dancers are given the opportunity to rise above expectation and participate in leadership that will serve them in their future education, jobs, and personal lives.

This Season

AcroDance is Growing!

Due to the popularity of AcroDance last season, we're thrilled to expand our offerings at Suzanne's School of Dance! This year, we're introducing more age-specific AcroDance classes to better support our dancers' growth and development. Following the "Acrobatic Arts" training and curriculum, dancers will continue learning tumbling and Acro skills that are safe while enhancing their dance training.

Your Favorite Day Camps Now All Year Long!

During Spring 2025, we ran a trial of monthly Day Camps, and the response was amazing! Thanks to your interest and support, we're excited to officially add monthly Day Camps to our schedule for this upcoming season.

To make planning easier for you, we've already scheduled all the camp dates for the upcoming season—so you can mark your calendar in advance!

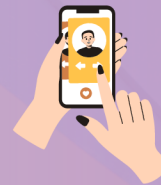

We're excited to introduce Blossom & Grow—a brand new enrichment program designed especially for preschool-aged children! While not a traditional preschool or Mother's Day Out, Blossom & Grow is the perfect supplement to those programs. Through creative movement, music, early learning activities, and social play, your little one will blossom with confidence and grow in a nurturing, engaging environment. Stay tuned for more details on how to join us for this joyful new adventure!
