SEASON 2026-27

MORE THAN JUST GREAT DANCING!®

Dear SSD Families

Welcome to our 35th Dance Season! We are filled with excitement and gratitude as we begin another incredible year at the studio. This season also marks Patrick's and my 14th year as studio owners, and it continues to be a true joy and privilege to serve this amazing community.

We are so happy to welcome both new and returning families into our studio community. Our mission, "To cultivate a community marked by integrity and excellence," is at the heart of everything we do. Alongside our motto, "Excellence of Dance and Heart," we strive each day to create a safe, uplifting environment where dancers can grow not only in their technique, but also in confidence, character, and joy.

With two locations serving the Brazos Valley, we are proud to offer a wide variety of classes for all ages and levels—from our tiniest Mommy & Me dancers to our advanced performers. Each class is designed to inspire a love for dance while encouraging discipline, creativity, and personal growth.

We are especially excited to continue building several of our programs this season, including our Petite Performance Companies (ages 5&6), Competition Program (Main Company Members), and our growing our AcroDance program. In addition, we are thrilled to introduce Musical Theater as a new offering this year—providing even more opportunities for our dancers to express themselves and expand their artistry.

As we step into this new season, we look forward to watching each dancer grow—not only in their dance technique, but as individuals. It is our honor to be part of their journey, and we are committed to making this a year filled with encouragement, excellence, and unforgettable memories.

Thank you for being part of our studio community. We can't wait to begin this wonderful season with you!

Blessings in Abun Dance.

More Than Just Great Dancing!®

In an ever evolving industry with limited formal federal oversight, it is vital to be accountable, innovative, and in tune with the latest developments in the dance industry. Suzanne's is a part of More Than Just Great Dancing!® and our team annually participates in trainings, workshops, and community building meetings with the 300+ studios that make up MTJGD.

We Hire The Best of the Best

As a studio that serves over 450 dancers, we are dedicated to the safety of and influence upon each child. Each staff member undergoes a number of checks and interviews to qualify as an SSD staff member. Each of our staff members are here for more than a job. It's a way of life and opportunity to share the JOY of dance with your child.

Programs that Build Character

Suzanne's School of Dance has implemented an Assistant Program that not only builds great dancers, but great leaders for our future. Dancers are given the opportunity to rise above expectation and participate in leadership that will serve them in their future education, jobs, and personal lives.

This Season

NEW! Dance Foundations

It's never too late to start dancing! Our Foundations Program is designed especially for dancers ages 11–18 who are beginning their dance journey and ready to build strong skills in a supportive, encouraging environment.

The core of the program is Dance Foundations, an exciting Ballet/Jazz combo class where dancers get the best of both worlds every week. Ballet develops technique, strength, and control, while Jazz brings energy, style, and confidence to the dance floor. Together, these styles create the perfect starting point for new dancers to grow quickly and discover their love of dance.

To help accelerate progress, dancers in Dance Foundations are highly encouraged to also enroll in Acro 1, which focuses on building strength and flexibility—two key elements that will help dancers advance faster and feel more confident in their movement.

Whether you're returning to the studio after a long hiatus or finally giving dance a try, Foundations is the perfect place to begin your journey.

NEW! Musical Theater

Step into the spotlight and bring stories to life through dance! Our Musical Theater Program is designed for dancers who love to perform, combining expressive movement, character work, and dynamic choreography inspired by Broadway-style productions.

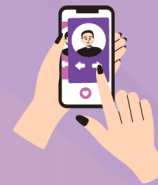

In this exciting class, dancers will explore foundational steps rooted in jazz, ballet, and even elements of tap, all while learning how movement helps tell a story on stage. With a strong emphasis on performance quality, students will build confidence, stage presence, and versatility in a fun and supportive environment.

Whether you dream of being on Broadway or simply love to perform, this program will help you shine, grow, and truly own the stage!
